- Components:**
 - A connector or plug at the left end.
 - A series of segments or sections along the length.
 - A central section with a different texture or pattern.
 - A section with a grid-like pattern.
 - A section with a cross-hatch pattern.
 - A section with a diagonal hatch pattern.
 - A section with a horizontal hatch pattern.
 - A section with a vertical hatch pattern.
 - A section with a circular hatch pattern.
 - A section with a square hatch pattern.
 - A section with a rectangular hatch pattern.
 - A section with a triangular hatch pattern.
 - A section with a diamond hatch pattern.
 - A section with a star-shaped hatch pattern.
 - A section with a cross-shaped hatch pattern.
 - A section with a plus-shaped hatch pattern.
 - A section with a minus-shaped hatch pattern.
 - A section with a dot-patterned hatch.
 - A section with a line-patterned hatch.
 - A section with a wavy-patterned hatch.
 - A section with a zigzag-patterned hatch.
 - A section with a spiral-patterned hatch.
 - A section with a concentric circle-patterned hatch.
 - A section with a radial line-patterned hatch.
 - A section with a tangential line-patterned hatch.
 - A section with a diagonal cross-hatch pattern.
 - A section with a horizontal cross-hatch pattern.
 - A section with a vertical cross-hatch pattern.
 - A section with a circular cross-hatch pattern.
 - A section with a square cross-hatch pattern.
 - A section with a rectangular cross-hatch pattern.
 - A section with a triangular cross-hatch pattern.
 - A section with a diamond cross-hatch pattern.
 - A section with a star-shaped cross-hatch pattern.
 - A section with a cross-shaped cross-hatch pattern.
 - A section with a plus-shaped cross-hatch pattern.
 - A section with a minus-shaped cross-hatch pattern.
 - A section with a dot-patterned cross-hatch.
 - A section with a line-patterned cross-hatch.
 - A section with a wavy-patterned cross-hatch.
 - A section with a zigzag-patterned cross-hatch.
 - A section with a spiral-patterned cross-hatch.
 - A section with a concentric circle-patterned cross-hatch.
 - A section with a radial line-patterned cross-hatch.
 - A section with a tangential line-patterned cross-hatch.
 - A section with a diagonal cross-hatch pattern.
 - A section with a horizontal cross-hatch pattern.
 - A section with a vertical cross-hatch pattern.
 - A section with a circular cross-hatch pattern.
 - A section with a square cross-hatch pattern.
 - A section with a rectangular cross-hatch pattern.
 - A section with a triangular cross-hatch pattern.
 - A section with a diamond cross-hatch pattern.
 - A section with a star-shaped cross-hatch pattern.
 - A section with a cross-shaped cross-hatch pattern.
 - A section with a plus-shaped cross-hatch pattern.
 - A section with a minus-shaped cross-hatch pattern.
 - A section with a dot-patterned cross-hatch.
 - A section with a line-patterned cross-hatch.
 - A section with a wavy-patterned cross-hatch.
 - A section with a zigzag-patterned cross-hatch.
 - A section with a spiral-patterned cross-hatch.
 - A section with a concentric circle-patterned cross-hatch.
 - A section with a radial line-patterned cross-hatch.
 - A section with a tangential line-patterned cross-hatch.
- Other Features:**
 - A small circular feature near the right end.
 - A small rectangular feature near the right end.
 - A small circular feature near the right end.
